*Dear ,*

*Thank you for being part of Health Care for All's successful OneCareNow Campaign!*

*Your generous contribution of \$ .00 will help us to spread the word throughout the state about this historic campaign to provide real health care reform for all Californians. Through your support, and that of many other donors we will sustain this massive grassroots effort for universal single payer health insurance in California.*

*I hope you'll stay involved with the Campaign and tell your friends about it. If you are interested in hosting a houseparty for friends who, like yourselves, are concerned about this issue, I would be glad to assist you in planning it. If you wish to help with the Campaign in any other way, please let me know.*

*Once again, thank you for your support and generosity.*

*Sincerely,*

*Please be aware that contributions to the OneCareNOW Campaign are  
NOT TAX DEDUCTIBLE*
