REMOVE THE MIDDLE MAN FROM OUR HEALTHCARE

The California Senate and Assembly made history this August when it passed SB 840 to create a California Universal Health Insurance Agency – *health care for all, for life, for less!*

Unfortunately, Governor Schwarzenegger (whose deputy chief of staff at the time was a former insurance lobbyist) turned his back on the people of California when he vetoed this bill that would have provided affordable and comprehensive healthcare to every single Californian for life.

But, it's not over yet. Senator Sheila Kuehl will reintroduce **SB840** in this year's session of the legislature. We intend to keep fighting for **SB840** because it's a cause worth fighting for. But we need your help to spread the word about SB840.
